FEATURED GIRL CRUSH

Callista Clark

You wouldn't know it from the sass and confidence in her music, but Callista Clark is a shy introvert. She's in the Girl Crush Country studio sharing how she pushes through those things to let her confidence shine through, how she's grown since her debut as a teenager, and the new music that comes from the new life stage she's living in. Watch the interview here.

Ella's Biggest Record Yet

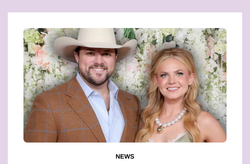

Ella Langley has made history in a way no other woman in country music has! With her sixth career chart topper, "Loving Life Again," she's now had four #1 songs in a single year -- a thing only three other country artists have ever done: Garth Brooks, Luke Combs, and Morgan Wallen, who's had five. "Loving Life Again" is also her fourth #1 from the same album - *Dandelion*, and the only other woman in country to do that is Shania Twain, who did it with *The Woman In Me*. She's unstoppable!

Miranda's Coming To Thanksgiving

Miranda Lambert will be the halftime performer at this year's Thanksgiving Day game between the Dallas Cowboys and Philadelphia Eagles at AT&T Stadium. As part of that, she'll also be kicking off the annual Salvation Army Red Kettle campaign. "There's something special about how music brings people together, especially when it's to spread joy and hope to families who need it most," Miranda said. "The Salvation Army and the Dallas Cowboys have built an incredible tradition with the Red Kettle Kickoff, and I can't wait to be back home in Texas this Thanksgiving to help carry it forward." The game will air on Fox at 3:30pm CST.

Tigirlily Gold(en) Rings

Congratulations and best wishes to Tigirlily Gold's Krista Slaubaugh, who married Walker Montgomery (son and spitting image of John Michael Montgomery) October 23 in Tennessee, just south of Nashville. They got engaged last year after two years of dating, and we're wishing them a happily ever after.

It was this week in 2014 that Miranda Lambert became the most awarded female artist in CMA Awards history when she picked up her eight, ninth, tenth, and eleventh trophies for Album (Platinum), Female Vocalist, Single ("Automatic"), and Musical Event ("We Were Us" with Keith Urban). She extended that record in 2015, 2017, and 2020. She could do it again this year, because she's up for Female Vocalist, Musical Event x2 ("A Song to Sing" with Chris Stapleton and "Horses and Divorces" with Kacey Musgraves), Album and Single of the Year (x2 for "Be Her" and "Choosin' Texas") for her role as producer of Ella Langley's *Dandelion*, and Song of the Year x2 for co-writing Ella's "Be Her" and "Choosin' Texas." We'll find out November 18 if she does that.
